POLISH & GRIP CREAM

Designed specifically for Candlepin, Duckpin and 5-Pin Bowling Balls

Use EPCO Polish & Grip Cream to restore shine and superior grip for high scoring performance.

- Clean balls first with non-abrasive, non-solvent cleaner
- Shake well before use, squeeze small amount onto ball surface
- Use small circular motion to cover entire ball surface
- Polish with soft dry cloth

Available in 4 oz. and 32 oz. bottles

Repeated use helps maintain bright shine and superior grip while preventing unwanted build-up. EPCO's Polish and Grip is not intended to be a heavy-duty cleaner. Clean bowling balls first with non-abrasive, non-solvent cleaner.

A little goes a long way.

CATALOGUE DE GRAVURES

Vous venez de voir des exemples de gravures que nous pouvons faire facilement.

Si vous désirez autre chose, veuillez nous envoyer votre fichier par courriel à ventes@buffabowling.com dans le bon format en suivant les spécifications suivantes:

- Le visuel doit être sauvegardé en format **VECTORIEL**, soit en AI ou PDF.
- Si le visuel est une image en JPEG, vous devez nous fournir une image de style "cahier à colorier" où l'image est en contour noir uniquement.
- Aucune couleur n'est acceptée.

ENGRAVING GATALOG

You have just seen examples of engravings that we can easily do.

If you want anything else, please send us your file in an email at sales@buffabowling.com in the correct format by following these specs:

- The visual must be saved in **VECTOR** format, either in AI or PDF.
- If the visual is a JPEG image, you must provide us with a "coloring book" style image where the image is in black outline only.
- No color is accepted.

BOWLING SHOES

Stellar Lanes
5 Pin & 10 Pin Bowling

T · H · E TECHNOLOGY

Toehold • Hyperflex • Engineering

Featured:
THE 9 HT BOA

This revolutionary design delivers unprecedented durability and flexibility by reinforcing the most common high-stress areas of the shoe to help prevent wear & cracking.

Our patent-pending **TOE HOLD OUTSOLE SYSTEM** features an abrasion-resistant compound designed to resist toe drag breakdown, and two state-of-the-art **HYPERFLEX CHANNELS** that allow the sole to flex and stretch freely, for exceptional comfort and unparalleled flexibility that extends the life of the shoe.

T-H-E REPLACEMENT SLIDE & TRACTION SOLES

All individually packaged soles are sold ready to fit all Dexter Men's & Women's THE sizes. Available at pro shops worldwide.

1 INTERLOCKING TOE HOLD SYSTEM

Leather-covered Toe Hold Clip on the interchangeable sole **secures** to shoe by locking onto recessed track.

Highly abrasion-resistant toe material on the interchangeable sole **prevents peel-back** and helps to prolong wear.

Toehold Track

Toehold Clip

2 HYPERFLEX HINGES

Dual hinges help to ensure proper alignment during sole attachment.

3 HYPERFLEX CHANNELS

Dual velcro-covered channels allow the sole to flex and stretch at both points, minimizing cracking and increasing flexibility and comfort.

4 SYMMETRICAL OUTSOLE SYSTEM

Patented interchangeable design fits soles on left and right shoes with no trimming.

5 RAISED HEEL DESIGN

Lifts middle of sole off of the floor to reduce sagging.

6 UNIVERSAL HEEL SYSTEM

Designed to fit existing interchangeable Dexter replacement heels.

7 BREATHABLE KNIT

Knit upper provides extraordinary breathability and comfort.

8 SECURE FIT LAST

Streamlined with a shorter toe for a closer fit and more control.

9 NOTCHED THUMB GRIP

For easy removal of interchangeable soles and heels.

BOA®

The BOA closure system **draws the foot down and back** into the heel for a **secure, comfortable and consistent fit** from the first frame to the last game.

SOLES & HEELS TIPS

Shoe Care Recommendations

- Inspect soles and heels for dirt or contamination.
- Always use shoe protectors when off the approach.
- Soles and heels should be replaced as soon as possible if there is any indication that they are not securely attaching onto the shoes.
- Inspect soles & heels for excessive wear & replace when necessary.
- Shoes should be stored in a cool, dry, and well ventilated area as trapped moisture and extreme heat or cold can cause damage.

Heel Shim

This heel shim which has Velcro® on both sides is designed to be used in combination with the heels already on your Dexter shoes. By adding this shim onto the bottom of the shoe then attaching the desired heel on top of the shim the height of the heel will be raised. The heel shim can be used on any Dexter shoe that has replacement heels.

! The Heel shim is not intended to be used as a replacement heel. Do not use the Heel shim alone.

HEEL SHIM
Apply heel shim to the heel of the shoe sole first.

REPLACEMENT HEEL
After the application of heel shim, apply replacement heel to backside of heel shim.

Use a Lower Heel Number Than Sole Number

Because you brake with your heel, use a heel with more friction (a lower number) than the sole. An exception would be if you bowl best with a heel that has the same number as the sole. Using a higher heel number than sole number is possible but not recommended for general approach conditions.

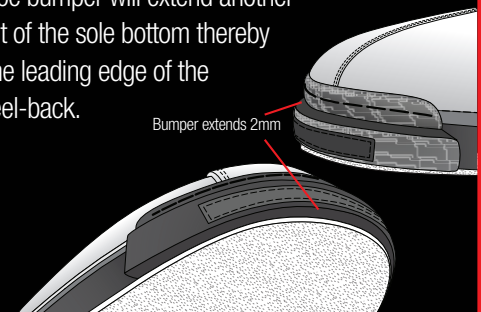

Break In Your Soles & Heels

When changing either the soles or heels of your SST shoes Dexter recommends that you use caution when trying the new combination for the first time. Taking several practice slides on the approach without holding a ball will allow the bowler to predict how the reconfigured shoes will slide on the current approach conditions before throwing the next ball.

Avoid Replacement Sole Peel-Back

When attaching a sole to the SST's make sure that the sole's leading edge is first aligned with the front of the Velcro® area ONLY. Note that on the SST8 the leather toe bumper will extend another 2mm in front of the sole bottom thereby protecting the leading edge of the sole from peel-back.

Bumper extends 2mm

ALIGN INSOLES

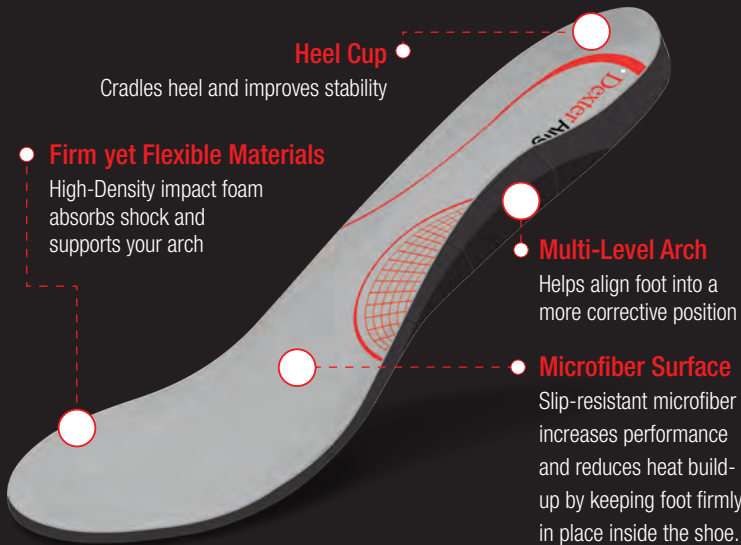

Replacement orthotic footbeds help place the foot in a more optimum position to assist with proper alignment, stability & support.

- D10001-S** - Men's Small (6½ - 7½)
- D10001-M** - Men's Medium (8 - 9½)
- D10001-L** - Men's Large (10 - 11½) **SOLD OUT**
- D10001-XL** - Men's XLarge (12 - 15)
- D10002-S** - Women's Small (5 - 7)
- D10002-M** - Women's Medium (7½ - 9)
- D10002-L** - Women's Large (9½ - 11)

What is Align Technology? Align tech is an innovative ergonomically designed orthotic that helps place the foot in a more optimum position to assist with proper alignment, stability and support.

This firm yet flexible orthotic gently stabilizes and supports the arch and heel from the ground up, assisting with the proper alignment of the foot to reduce pressure on tendons and joints. They are constructed of a molded EVA and feature a soft microfiber fabric top.

Dexter Align

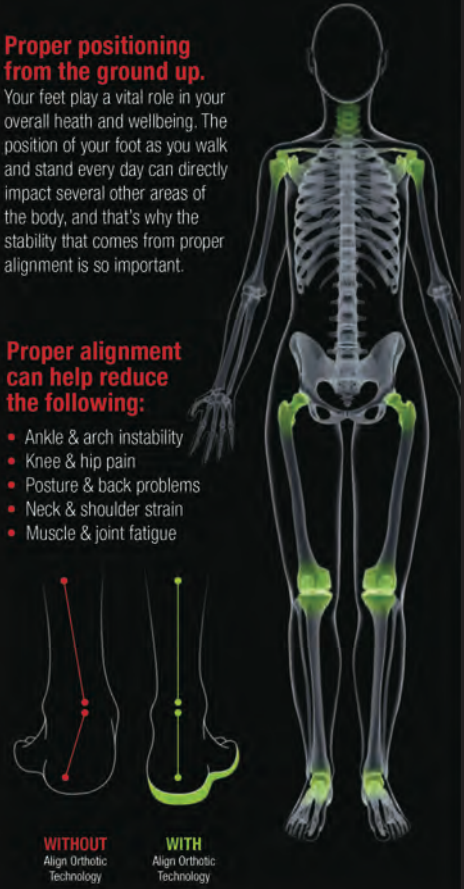

Alignment, Stability & Support

Proper positioning from the ground up.

Your feet play a vital role in your overall health and wellbeing. The position of your foot as you walk and stand every day can directly impact several other areas of the body, and that's why the stability that comes from proper alignment is so important.

Proper alignment can help reduce the following:

- Ankle & arch instability
- Knee & hip pain
- Posture & back problems
- Neck & shoulder strain
- Muscle & joint fatigue

Experience the comfort of proper alignment.

HEELS

Hammer offers a variety of heel options to help bowlers customize their slide on any approach condition.

Choose your heel size based on these corresponding shoe sizes:

Women's:

Small = 5.5-8 / Medium = 8.5-11

Men's:

Small = 4-6.5 / Medium = 7-9.5 / Large = 10-12 / X-Large = 13-15

TRADITIONAL

The Traditional Heel is recommended for normal approach conditions providing an average amount of brake.

56-730001-901 Small
56-730001-902 Medium
56-730001-903 Large
56-730001-904 X-Large

GROOVED

The Grooved Heel is recommended for slippery approach conditions providing above average brake.

56-730008-900 Small
56-730008-901 Medium
56-730008-902 Large
56-730008-903 X-Large

SMOOTH LEATHER

The Smooth Leather Heel is recommended for sticky approach conditions providing above average amount of slide.

56-730011-900 Small
56-730011-901 Medium
56-730011-902 Large
56-730011-903 X-Large

SLIDE SOLES

Hammer slide soles are designed to instantly help bowlers customize their slide for any approach condition. They are numbered 2 through 10 with the number 2 sole providing the least amount of slide and the number 10 sole providing the most slide possible. Slide soles are oversized and can be trimmed to fit any size shoe.

56-730017-002 #2 Slide Sole
56-730005-004 #4 Slide Sole

What Is Biomechanical Contouring?

The human foot is asymmetrically shaped and curved with a natural angled flex zone, as illustrated in the diagram. Your bowling shoes should be the same. Strikeforce's performance shoes were designed with this in mind. The biomechanical contour of the shoe along with innovative flex bars work together with the natural movement of the foot to provide the ultimate in flexibility, comfort and function.

NEW

What Is Biomechanical Contouring?

The human foot is asymmetrically shaped and curved with a natural angled flex zone, as illustrated in the diagram. Your bowling shoes should be the same. Strikeforce's performance shoes were designed with this in mind. The biomechanical contour of the shoe along with innovative flex bars work together with the natural movement of the foot to provide the ultimate in flexibility, comfort and function.

BOWLING BAGS

Stellar Lanes
5 Pin & 10 Pin Bowling

CONVERTIBLE - SACS 1 OU 2 BOULE(S) À BANDOULIÈRE

Dites bonjour à nos sacs convertibles pour joueurs de petites quilles, cinq quilles et quilles-chandelles!

Dans le monde des grosses quilles, il existe de nombreux styles différents de sac une (1) boule et deux (2) boules à bandoulière. Nous avons décidé de créer deux (2) inserts en mousse afin de convertir ces types de sacs en un sac pour petites boules, où le sac à une (1) boule ou deux (2) boules peut contenir quatre (4) petites boules. Cela donne au joueur de petites quilles, cinq quilles ou quilles-chandelles beaucoup plus de choix de couleur et de style.

CONVERTIBLE - SINGLE OR DOUBLE SHOULDER BAGS

Say hello to our convertible bags for duckpin, fivepin and candlepin players!

In the tenpin bowling world, there are many different styles of single ball bag offered. We decided to create two (2) foam inserts in order to convert these types of bags into a small ball bag, where the single ball bag can hold up four (4) small balls. This gives the duckpin, fivepin or candlepin player a lot more choices in colour and style.

CONVERTIBLE - SACS 1 BOULE À ROULETTES

Dites bonjour à nos sacs convertibles pour joueurs de petites quilles, cinq quilles et quilles-chandelles!

Dans le monde des grosses quilles, il existe de nombreux styles différents de sac une (1) boule et deux (2) boules à roulettes. Nous avons décidé de créer deux (2) inserts en mousse (pour le sac 1 boule à roulettes) et un (1) insert en mousse (pour le sac 2 boules à roulettes) afin de convertir ces types de sacs en un sac pour petites boules, où le sac une (1) boule peut contenir quatre (4) petites boules et le sac deux (2) boules peut contenir jusqu'à six (6) boules. Cela donne au joueur de petites quilles, cinq quilles ou quilles-chandelles beaucoup plus de choix de couleur et de style.

CONVERTIBLE - SINGLE OR DOUBLE ROLLER BAGS

Say hello to our convertible bags for duckpin, fivepin and candlepin players!

In the tenpin bowling world, there are many different styles of single roller bag offered. We decided to create two (2) foam inserts (for the single roller bags) and one (1) foam insert (for the double roller bags) in order to convert these types of bags into a small ball bag, where the single roller bag can hold up to four (4) small balls and the double roller bag can hold up to six (6) small balls. This gives the duckpin, fivepin or candlepin player a lot more choices in colour and style.
